

Welcome

Welcome to the Maroondah Symphony Orchestra Inc. The Orchestra was founded in 1964 to bring together young musicians with the more experienced to give them the opportunity to practise and perform orchestral music. The Orchestra performs four major public concerts each year. Additional concerts often include a performance at Cherry Tree Grove Retirement Living in Croydon. Performances typically include works by the major classical and romantic composers such as Mozart, Beethoven, Brahms, Dvorak and Grieg, with occasional forays into more adventurous repertoire. In addition to orchestral performances, in the past the Orchestra has combined with local choirs to present choral works that have included Handel's "Messiah", Beethoven's "Choral Fantasy", Vivaldi's "Gloria", Mendelssohn's "Elijah" and Orff's "Carmina Burana". The Orchestra is governed by an elected committee and is a not-for-profit incorporated association.

We are fortunate to have as our conductor Willem van der Vis.
